The Executive Director received compensation as the sole employee until November 1, 2021. Compensation was determined by the Board, exclusive of the Executive Director, at a regularly scheduled Board meeting in 2019. A change was made on November 1 2021 when the full-time position was divided into two part-time positions. The decision to divide the position and set the part-time salaries was made at a special meeting in October, 2021 excluding the employees, and was included in Minutes of that special meeting. The Board considers the compensation to be not excessive based on their professional business knowledge and experience.

Texas Ramp Project builds wheelchair ramps for elderly and disabled persons who are in financial need. This gives them the freedom to enter and exit their homes independently. Texas Ramp Project does this by initiating and supporting regional groups who construct ramps using volunteer builders. Ramps are built without regard to race, religion, ethnicity, age or gender. Our vision is that no Texas resident shall lack safe access to and from his or her home because of financial limitations.
